Friday, 1 Feb 2019: Santam (share code: SNT) shares begin trading on A2X Markets today. The general insurer with a market cap of more than R34 billion, retains its listings on the JSE and the Namibian Stock Exchange and its issued share capital will be unaffected by the listing on A2X.

Santam CEO Lizé Lambrechts said: “We are continually looking for new ways to add benefit to our clients and shareholders. We see this additional listing as an opportunity to attract potential new investors. More importantly we are pleased to be complementing our existing listings on the JSE and Namibian Stock Exchange with a listing on A2X.”

A2X CEO Kevin Brady said: “The trading options for Santam’s investors are being extended with a listing on A2X. We are delighted to be welcoming Santam to A2X and look forward to demonstrating the benefits that a listing on our platform will bring to its shareholders.”
