

1invest lists all 16 ETFs on A2X

Wednesday, 5 October 2022: [1invest's](#) leading extensive range of local and global exchange traded funds (ETFs) become will be available for trade on A2X from today..

1invest is an award-winning, specialist index fund manager backed by the largest financial group in Africa, the Standard Bank Group. 1invest works with individual investors, financial advisors and institutions to build their clients wealth and achieve their financial goals.

1invest Executive Director Johann Erasmus said, "ETFs are an affordable way to invest because of the transparent structure and fees and lower fund administrative costs. By listing our ETFs on A2X our investors will be able to take advantage of A2X's lower trading costs and increased liquidity, making 1invest's ETFs an even more attractive investment vehicle."

Kevin Brady, CEO of A2X Markets, added, "1invest has a comprehensive range of ETFs that span a broad spectrum of local and international indices across various asset classes. We look forward to welcoming this wide range of ETFs to A2X, helping both 1invest and their investors reap the benefits of a listing on A2X."

These ETF listings will bring the number of securities available for trade on A2X to 88, including 35 exchange traded products, with a combined market capitalisation of about R5 trillion. A2X has listings from many key sectors, including media, property, mining, banking, retail, FMCG, financial services, insurance, healthcare and telecommunications, as well as other ETFs and exchange traded notes (ETNs). A2X was authorised to secondary list ETFs and ETNs in 2019 and will now have 33 ETFs and 2 ETNs listed on its market.
